Little Rock, Arkansas 72203

Docket No. 50-313
Ref. CDR-74

Gentlemen:

Thank you for your letter dated February 2, 1973, identifying Babcock & Wilcox Report BAW-1402, dated January 1973, as your final report concerning the incomplete records certifying the weld metal used in the fabrication of the steam generators for your Arkansas Nuclear One Unit 1 facility. This report is currently being reviewed, and the results of this review will be communicated to you in the future through our office in Atlanta, Georgia.

Your cooperation concerning this matter is appreciated.

Yours truly,
