Arkansas Power and Light Company
Attn: Mr. J. D. Phillips
Vice President and Chief Engineer
Sixth and Pine Streets
Pine Bluff, Arkansas 71601

Gentlemen:

Thank you for your letter of December 20, 1972, informing us of steps you have taken to correct the item of apparent noncompliance concerning activities under AEC Construction Permit No. CPPR-57 which was brought to your attention in our letter of December 8, 1972. We have examined your corrective actions and have no further questions.

A copy of the report of this inspection is enclosed. In accordance with Section 2.190 of the AEC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the AEC's Public Document Room. If this report contains any information that you believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If the report contains no information which you believe to be proprietary, please inform us in writing within 20 days to this effect. In such case, the report, as enclosed with this letter, will be placed in the Public Document Room.

Should you have any questions concerning this letter, you may communicate directly with this office.

Very truly yours,

John G. Davis
Director
