Attention: Mr. J. D. Phillips
Vice President and Chief Engineer

Gentlemen:

This supplements our letter of June 27, 1968, with which we sent you a copy of the U. S. Fish and Wildlife Service report dated May 29, 1968, commenting on both radiological and non-radiological effects of the proposed Russellville Nuclear Unit.

The Service has supplemented their report with a letter dated August 29, 1968. A copy of this letter, which is self-explanatory, is enclosed for your information.

Copies of this letter, with enclosure, are being sent to the appropriate state and local officials for their information.

Sincerely,

Original Signed by
Peter A. Morris

Peter A. Morris, Director
Division of Reactor Licensing
