Attention: Mr. J. D. Phillips
 Vice President & Chief Engineer

Gentlemen:

In reply to your July 3, 1968 request on behalf of the Arkansas Power & Light Company for withholding Appendix J of Supplement No. 5 of the Preliminary Safety Analysis Report from public disclosure pursuant to Section 2.790 of 10 CFR Part 2, we have determined that disclosure of the contents of Appendix J is not required in the public interest nor by 10 CFR Part 9 and would adversely affect the interest of Arkansas Power & Light Company. Accordingly, Appendix J is being withheld from public inspection pursuant to Section 2.790 of 10 CFR Part 2.

Withholding of Appendix J from public inspection shall not, however, affect the right, if any, of persons properly and directly concerned to inspect it.

Sincerely yours,

Original Signed by
