Docket No. 50-313

JAN 11 1972

Arkansas Power & Light Company
 ATTN: Mr. J. D. Phillips
 Vice President and Chief Engineer
 Sixth and Pine Streets
 Pine Bluff, Arkansas 71601

Gentlemen:

During our review of your application for an operating license for Arkansas Nuclear One, Unit 1, we requested the comments and recommendations of the U. S. Department of the Interior, Fish and Wildlife Service. A copy of the Fish and Wildlife Service's report, containing comments and recommendations on environmental effects associated with the proposed operation of Arkansas Nuclear One, Unit 1, is enclosed for your information. Copies of the report are also being sent to the appropriate State and local officials. The information and recommendations in the report will be considered in our overall evaluation of Arkansas Nuclear One, Unit 1.

We concur in the Department of the Interior's comments and recommendations and therefore request that you implement them, including continuing to cooperate with appropriate Federal and State agencies in developing the necessary program for the preoperational and post-operational environmental monitoring surveys. Please inform us in detail how you intend to implement each of the Department of Interior's comments and recommendations.

Twenty copies of the results of your surveillance programs should be submitted to us as soon as they are available for our review and distribution to the Fish and Wildlife Service.

Sincerely,

Original Signed by
 R. C. DeYoung

R. C. DeYoung, Assistant Director
 for Pressurized Water Reactors
 Division of Reactor Licensing
