Arkansas Power and Light Company
ATTN: Mr. William Cavanaugh III
Executive Director of Generation
and Construction
P. O. Box 551
Little Rock, Arkansas 72203

Gentlemen:

Thank you for your letter of October 27, 1977 in response to our letter and Notice of Violation dated September 12, 1977.

We do not find that your response to the infraction addresses the actions you have taken to prevent recurrence. It is our understanding, based on the telephone conversation between Mr. D. H. Williams and Mr. T. F. Westerman of this office, on November 28, 1977, that you will provide a supplemental response addressing this issue.

We have no further questions at this time concerning your corrective action for the apparent deviation. We will review this corrective action during a future inspection.

Sincerely,

G. L. Madsen
