Docket No. 50-313

Gentlemen:

Thank you for your letters of May 17 and May 20, 1976 in response to our letter and Notice of Violation, dated April 27, 1976. As a result of our review of your letter, we find that additional information is needed for Noncompliance Item 2. Based on telephone conversations with Mr. Cavanaugh and other members of your staff on May 27 and May 28, 1976, it is our understanding that you will provide additional information regarding your laboratory record keeping and corrective actions taken that will provide inspectability and auditability of these activities as is required by 10 CFR 50, Appendix B and the AP&L Quality Assurance Manual requirements.

It is requested that the additional information specified above be submitted to this office within 20 days of your receipt of this letter.

Should you have questions concerning this request, we will be pleased to discuss them with you.

Sincerely,

G. L. Madsen, Chief,  
Reactor Operations and  
Nuclear Support Branch
