Docket No. 50-313

Mr. Daniel W. Slater, Chief  
 Division of River Basin Studies  
 Bureau of Sport Fisheries & Wildlife  
 U. S. Department of the Interior  
 Washington, D. C. 20240

Dear Mr. Slater:

This supplements previous correspondence to you concerning Arkansas Power and Light Company's facility license application for Arkansas Nuclear One, Unit 1.

Two copies of Amendment 21, dated September 27, 1971, to the application for an operating license for the above facility, are enclosed for your information.

Sincerely,

Original Signed By  
 K. R. Goller

*FCZ* Richard C. DeYoung, Assistant Director  
 for Pressurized Water Reactors  
 Division of Reactor Licensing

Enclosure:  
 Amendment No. 21 (2)
