Docket No. 50-313

Environmental Technical Specifications

Dear Mr. Giambusso:

Our letter of July 11, 1975, contained a paragraph on page two in which the wording was misleading. The paragraph in question is the first one on page two. It should be reworded to read as follows:

"Informal discussions with the EPA indicate that they prefer to abide by the opinion of state agencies. All related state agencies have indicated no concern with our current fish grinding operations."

We regret any misunderstanding the bad wording may have caused.

Very truly yours,

J. D. Phillips
Senior Vice President
