Re: Contract No. AT(49-5)-2667
Arkansas Nuclear One -- Unit 1
Arkansas Power and Light Company
AEC Docket No. 50-313

Dear Mr. Case:

Dr. W. J. Hall and I have reviewed the Final Safety Analysis Report for Arkansas Nuclear One -- Unit 1. We are attaching a Draft Commentary Report which at a later date will form the basis of our separate Final Report on this facility.

As you will note in the attached report, there are a number of areas in which additional information is required before we can complete our evaluation, and prepare our Final Report. We shall be pleased to discuss these matters with your staff as appropriate.

Sincerely yours,

N. M. Newmark
