FINAL SAFETY ANALYSIS REPORT
FILE: 0505.8 SERIAL: 2118

During the January 13, 1976 meeting with the staff on Final Safety Analysis Report content and schedule, we discussed the attached preliminary Operating License schedule which indicates submittal of the Midland Units 1 & 2 FSAR in June 1977. We would appreciate your confirmation that the basic schedule as shown is acceptable. The submittal date of June 1977 is preliminary at this time pending a detailed review of the preparation schedule which will be completed within 60 days of your response.
