Dear Ms Diggs:

For some time now, at our request, certified copies of technical specifications changes and license amendments issued with respect to the Big Rock Point nuclear reactor have been routinely sent to Mr. D. W. Aldrich of this Company.

We would appreciate your extending this practice to include certified copies of all future construction permit, operating license and technical specifications changes for our Midland (Docket Nos. 50-329 and 50-330) and Palisades (Docket No. 50-255) facilities. Like the Big Rock Point documents, these certified copies should be addressed to Mr. D. W. Aldrich of this Company.

Thank you very much for your cooperation.

Yours very truly,

Judd L. Bacon
