Dear Mr. Howell:

Your responses of June 13 and 27 to our requests for financial data are appreciated. We believe, however, that an examination of your company's current financial condition would be accelerated by a meeting between your financial experts and our staff. We contacted Mr. Judd Bacon of your legal staff on July 10 and he informed us that July 25 would be a convenient date for the meeting. The purpose of the meeting is to discuss your company's present financial condition and details of the financial data you previously submitted to us under dates of June 13 and 27. A copy of the meeting notice is enclosed.

We have invited Myron Cherry to attend the meeting as an observer. However, after we complete our discussion, we plan to solicit Mr. Cherry's comments and to continue the meeting as we determine necessary.

Sincerely,
