Re: Consumers Power Company, Midland Plant Units  
1 and 2, AEC Docket Nos. 50-329A, 50-330A  
Department of Justice File 60-415-20

Dear Mr. Watson:

In our agreement on discovery, you suggested that we leave blank various dates for Applicant's compliance with documentary production, or filing of objections thereto, and you would supply dates for the blanks promptly after reviewing the request. We supplied several copies of the request to you by hand on July 26. As of this date we have not heard from you in this regard. It is my recollection that you stated we would have those dates within a week to ten days of our supplying the documentary request to you.

We are particularly anxious to have the date by which we will receive the materials necessary for completion of our engineering/economic studies.

Sincerely yours,

BRUCE B. WILSON  
Acting Assistant Attorney General  
Antitrust Division
