Re: Consumers Power Company,
Midland Plant, Units 1 and 2,
NRC Dkt. Nos. 50-329A & 50-330A

Dear Keith:

I received your letter of March 16th and the enclosed steam service contract between Dow and Consumers, dated January 30, 1974. You stated that there have been no amendments to "this agreement." Unfortunately, this leaves me unsure of the status of the other contracts I have in my office. If you could check these for me, it would be of great help. I currently have:

1. General Agreement between Consumers Power Company [CPC] and The Dow Chemical Company [DCC], dated December 13, 1967 and marked "Current through Supplemental Agreement No. 16" (July 31, 1973 - CEB);
2. Supplemental Agreements Nos. 1-16 (No. 16 being dated July 31, 1973);
3. Contract for Steam Service between CPC and DCC dated January 30, 1974;
4. Contract for Supply of Water between CPC and DCC dated January 30, 1974;
5. Contract for Interim Steam Service between CPC and DCC dated December 13, 1967; and
6. Agreement for Electric Service between CPC and DCC dated January 30, 1974.

Thank you for your help.

Sincerely,

Fredric D. Chanania
