Gentlemen:

The enclosed comments and requests for information are in response to your letter of August 28, 1975 regarding the implementation of Regulatory Guides at your Midland Plant. These guides deal with structural engineering, the emergency cooling pond and flooding.

As indicated in our letter of October 15, 1975, your response to this request for information was scheduled for November 13, 1975. Please inform us within seven (7) days after receipt of this letter of your confirmation of this date or the date you will be able to meet.

Please contact us if you have any questions regarding the information requested.
