Dear Mr. Bangert:

As requested in a letter dated November 26, 1973 from Senator Philip Hart, this will advise you of the current status of orders or decisions of the licensing board relating to the scope of the issues and evidentiary matters to be considered in connection with the above referred to application.

On the first day of the proceeding, November 27, 1973, the Board Chairman, Jerome Garfinkel, Esq. ordered that the issues in the case be confined to the board's prehearing conference order dated August 7, 1972. We have enclosed for your information a copy of the prehearing order. We have also enclosed a copy of the hearing schedule.

If we can be of any further assistance to you, please feel free to contact us at any time.

Sincerely,
