Dear Mr. Trager:

RE: Hansen Project  
Response to Item 1

In my letter to you dated June 2, 1980 concerning our response to Item 1, there were two typographical errors.

On page 1, the title indicates "Item 4"; this should read "Item 1".

On page 3, a line in the first paragraph was omitted. Enclosed are five replacements for page 3 which corrects this omission.

Very truly yours,

M. A. Thompson  
Principal Licensing Engineer
