Docket No. 50-289

SECOND SET OF NRC STAFF INTERROGATORIES OF
 ENVIRONMENTAL COALITION ON NUCLEAR POWER

Pursuant to 10 C.F.R. § 2.740b, the following interrogatories are directed to Environmental Coalition on Nuclear Power. Each interrogatory is to be answered separately and fully in writing under oath or affirmation by individuals having personal knowledge of the answers. The Licensing Board in this proceeding has directed that all responses to interrogatories must be in the hands of the discovering party 35 days after the issuance of the SER (July 21, 1980). (The Memorandum and Order on Prehearing Conference of May 13, 1980 (May 22, 1980), at 7.)

All parties are reminded that § 2.740(e) of the Commission's regulations requires parties to amend their responses when they are no longer true. Thus, intervenors who were not able to answer the general interrogatories submitted in the "First Set of NRC Staff Interrogatories to Intervenors" dated December 27, 1979 or the interrogatories submitted in this pleading are obligated to respond to the interrogatories upon receipt of the requested information.

All of the specific interrogatories attached refer to information contained in the Staff's "TMI-1 Restart Evaluation of Licensee's Compliance with the Short-and Long-Term Items of Section II of NRC Order dated August 9, 1979" (SER) which was served on all parties to this proceeding on June 16, 1980. Page numbers in the interrogatories refer to the SER. The general interrogatories inquire into how the parties intend to use documents, including the SER, in their presentations of evidence.

Respectfully submitted,

Lucinda Low Swartz
Counsel for NRC Staff

Dated at Bethesda, Maryland
this 1st day of July, 1980.
