5100

MAY 27 1980

From: Commander, Mare Island Naval Shipyard
To: U. S. Nuclear Regulatory Commission, Division of Fuel Cycle and
Material Safety, Transportation Certification Branch,
Washington, D. C. 20555, Mr. Charles E. MacDonald
NMSS SECTION

Subj: Reregistration of Shipping Containers

Ref: (a) U. S. NRC Regulations Title 10, CFR, Part 71
(b) TELECON of 21 May 1980 between Mr. R. Odegarden, NRC, and
and M. Johnson, Mare Island

1. In accordance with Section 71.12(b)(1)(iii) of reference (a) and as discussed during reference (b), it is requested that Mare Island Naval Shipyard, Byproduct Material License 04-00364-06, be reregistered as a user of the following shipping containers:

a. Technical Operations, Model 650, Iridium Source Changer, Package Identification No. USA/9032/B(), under terms and conditions of Certificate of Compliance No. 9032, Rev. 2, issued to Technical Operation, Inc. on 17 Sep 1979.

b. Technical Operations, Model 660, Gamma Ray Projector, Package Identification No. USA/9033/B(), under terms and conditions of Certificate of Compliance No. 9033, Rev. 3, issued to Technical Operations, Inc. on 25 Jul 1979.

c. Technical Operations, Model 680, Gamma Ray Projector, Package Identification No. USA/9035/B(), under terms and conditions of Certificate of Compliance No. 9035, Rev. 4, issued to Technical Operations, Inc. on 17 Jan 1980.

d. Technical Operations, Model 741, Gamma Ray Projector, Package Identification No. USA/9027/B(), under terms and conditions of Certificate of Compliance No. 9027, Rev. 2, issued to Technical Operations, Inc. on 16 Jan 1980.

2. Prior to the use of the above shipping containers, all documents required by reference (b) will be on file and complied with by this activity.

3. As discussed during reference (b), Mare Island Naval Shipyard considers itself in full compliance with reference (a) effective the mailing date of this correspondence.

M. JOHNSON
