

From: Safety Processes & Evaluation Hanford Engineering Development Laboratory
Phone: 2-5123 W/C-81
Date: June 4, 1980
Subject: DISTRIBUTION OF REVISIONS TO FFTF FSAR, Amendment 43

To: FFTF FSAR Copy Holder No. 00279

cc: ARS-File/LB

Attached for incorporation in the FFTF FSAR set assigned to you is FSAR Amendment 43. Amendments are posted page-for-page in accordance with the attached Release and Change Control Record (RCCR). The latest RCCR should be filed in the front of Volume I. Earlier copies of the RCCR may be discarded.

If you do not desire to receive future changes to the FSAR, please notify the undersigned. Hanford site contractor personnel may return unneeded sets to Doris Strain, W/C-110, Document Control, Bldg. 3706, Westinghouse Hanford Company. Off-site personnel may dispose of unneeded sets at their discretion; however, it is requested that the undersigned be notified.
