LICENSEE'S RESPONSE TO STATE OF OREGON'S MOTION
FOR RECONSIDERATION OF THE INITIAL DECISION

The State of Oregon's Motion for Reconsideration of the Initial Decision (July 23, 1980) requests that the Licensing Board discuss the issues raised in Oregon's Proposed Findings of Fact and Conclusions of Law (May 19, 1980) and elaborate upon the Board's reasons for denying Oregon's proposals.

If the Board determines to add such discussion and elaboration to the Initial Decision, Licensee respectfully suggests that the basis for such addition is set forth at pages 6-11 of Licensee's Response to the Proposed Findings of the NRC Staff and the State of Oregon (May 29, 1980).

Respectfully submitted,
