IN RESPONSE REFER
TO FOIA-80-354

Dear Ms. McDonald:

This is in response to your letter of July 7, 1980, in which you requested, pursuant to the Freedom of Information Act, copies of NRC inspection letters or reports and responses thereto for Pharmatopes, Inc., and Pharmaco Nuclear, Inc., facilities as enumerated in your request.

Please find enclosed the documents, listed on Appendix A, which are subject to your request. Portions of document 4 under License No. 12-17910-01 MD have been deleted in order to withhold the name and other identifying information pertaining to an individual exposed to radiation. Because disclosure of this information would constitute a clearly unwarranted invasion of personal privacy, it is being withheld from disclosure pursuant to Exemption (6) of the Freedom of Information Act (5 U.S.C. 552(b)(6)) and 10 CFR 9.5(a)(6) of the Commission's regulations.

Pursuant to 10 CFR 9.9 of the Commission's regulations, it has been determined that the information withheld is exempt from production or disclosure, and that its production or disclosure is contrary to the public interest. The persons responsible for this denial are the undersigned and Mr. Victor Stello, Director, Office of Inspection and Enforcement.

This denial may be appealed to the Commission's Executive Director for Operations within 30 days from the receipt of this letter. As provided in 10 CFR 9.11, any such appeal must be in writing, addressed to the Executive Director for Operations, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and should clearly state on the envelope and in the letter that it is an "Appeal from an Initial FOIA Decision."

This completes NRC action on your request.

Sincerely,
