IN RESPONSE REFER
TO FOIA-80-384

Dear Mr. Plant:

This is in response to your letter dated July 21, 1980, in which you requested, pursuant to the Freedom of Information Act, copies of any and all correspondence between Representative Daniel Crane of Illinois and the Nuclear Regulatory Commission (NRC).

In response to your request, the only written communication between the NRC and Congressman Crane of which the staff is aware, was a transmittal letter from Carlton Kammerer, Director, Office of Congressional Affairs, sent to all members of Congress enclosing a copy of the NRC Special Inquiry Group's report on Three Mile Island. Attached is a copy of that communication for your information and use.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. M. Felton".

J. M. Felton, Director
Division of Rules & Records
Office of Administration
