U.S. NUCLEAR REGULATORY COMMISSION

July 14, 1980

Mr. C. E. MacDonald, Chief
Transportation Certification Branch
Division of Fuel Cycle and Material Safety
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Docket No: 71-6294

Dear Mr. MacDonald:

Reference is made to a telephone conversation of July 14, 1980 between Mr. R. Odegaarden of your office and P. J. Defilippi of PA Operations.

This letter is notification to your office that Babcock & Wilcox, Nuclear Fuel and Manufacturing Division, PA Operations would like to be listed as a registered user of the Model UNC-2901 shipping package authorized by Certificate of Compliance No. 6294, Revision No. 3. Use of this package at PA Operations is unforeseen.

If you have any questions or comments, please contact me.

Sincerely,

MAustin
