Radiography and Research Reactor
Security Plan. Docket No. 50-228.

Dear Mr. Miller:

In compliance with 10 CFR, Part 50, Section 50.54(p), we are enclosing a description of certain changes in our reactor facility security. The changes were completed on July 15, 1980.

We request that the attachment be withheld from public disclosure pursuant to 10 CFR, Part 2, Section 2.790(d) as the information would be of assistance in planning a violation of our protective system.

Very truly yours,

AEROTEST OPERATIONS, INC.
