As per your phone conversation on December 17, 1987 with Edward Puhala, I would like to remind you of a typing error on our recent Amendment #8. In Item 6 (I), Cesium-137 was erroneously typed instead of Co-60. You were going to make this correction at the time of this amendment request.

Enclosed is a check for \$60.00 to cover the cost of this amendment. Thank you for your cooperation. If you have any questions, please contact me at (216) 796-4531.
