Subject: Management Meeting (NRC Region I Augmented Inspection Team (AIT)
Inspection (No. 50-443/89-82)

This letter transmits, for record purposes, a meeting report which summarizes discussions held between the NRC and New Hampshire Yankee personnel regarding the results of the subject AIT inspection report. This meeting was held in a public forum on September 6, 1989 at the University of New Hampshire in Durham, New Hampshire. At the completion of our discussions with your staff, the meeting was then opened to allow elected officials and interested members of the public to provide comments to the NRC staff on the AIT inspection and on the adequacy of licensee corrective actions.

This meeting was transcribed and a copy of the official transcript is attached to the meeting report. A summary of the related Enforcement Conference Meeting, convened in Region I on September 7, 1989, is being issued separately.

No reply to this letter is required. A copy of this letter and its enclosures will be placed in the NRC Public Document Room.

Thank you for your cooperation.

Sincerely,
