Mr. John Seal, Chairman
Small Agency Council
Equal Employment Opportunity Commission
1801 L Street, N. W.
Washington, D. C. 20507

Dear Mr. Seal:

Thank you for your recent letter concerning the work of the Small Agency Council. I appreciated your kind remarks on my appointment as Chairman of the Nuclear Regulatory Commission (NRC), and would like to congratulate you in turn on your recent selection as Council Chairman.

The Commission recognizes the very important role that the Small Agency Council plays in representing the collective views and concerns of the small agencies to the central management agencies of the government. Our Director of Administration, Patricia G. Norry, who is also serving the Council as a member of the Executive Board, will continue to represent the NRC on the Council. We look forward to working with you and the other agency members in pursuing the Council's goals.

Sincerely,

Kenneth M. Carr
