United States Nuclear Regulatory Commission
Washington, D.C. 20555 (3H50WFN)
ATTN: Ms. Hemby M/S 3450WFN

REF: Thomson Saginaw NRC License No. XCOM1015
Expires December 31, 1989

Ms Hemby:

This letter is to request an extension of six months on the above referenced license number. Our shipments against this order will not be completed until June 1990. Please confirm via telephone that you have received this and that an extension is granted. My telephone number is 517-776-5111, Ext. 303.

Sincerely,

David A. Sepesi, Director
OEM Sales and Marketing
