NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

OCT 12 1989

MEMORANDUM FOR: Teresa R. Neville, Acting Chief
Public Document Room

FROM: Mark H. Williams, Chief
Trends and Patterns Analysis Branch
Office for Analysis and Evaluation
of Operational Data

SUBJECT: PLACEMENT OF THE NPRDS EVALUATION REPORT IN THE PDR

Enclosed for placement in the Public Document Room (PDR) is the 1988 NPRDS Evaluation Report (i.e., Attachment 1 to AEOD/S804B, "Application of the NPRDS for Maintenance Effectiveness Monitoring").

AEOD/S804B was previously placed in the PDR, however, Attachment 1 to that report was not placed there due to its predecisional status. Since your staff has indicated to us that inquiries have been made for it, we obtained a verbal clearance on October 3, 1989 from J. Guttman, SECY, to release the 1988 NPRDS evaluation to the PDR. For reference purposes, AEOD/S804B was an enclosure to SECY-89-044, Report on Maintenance Performance Indicator Development, dated February 6, 1989.
