Re: REGISTER USE OF TRANSPORT PACKAGES AND EXPOSURE DEVICES

Materials License: No. 50-17446-01
License Expiration Date: March 31, 1984

The Testing Institute of Alaska would like to register with the Nuclear Regulatory Commission the use of Amersham Model 650 source changers and Amersham Model 660 exposure devices which are utilized by our license as transport packages.

Respectfully submitted,

Donald M. Lockman
Donald M. Lockman
Radiation Safety Officer
