Gentlemen:

This refers to the meeting conducted between the Arkansas Nuclear One (ANO) Licensing Manager, Mr. J. Fisicaro, and Messrs, D.D. Chamberlain and A. T. Howell of NRC Region IV. This meeting was conducted at the request of Mr. Fisicaro and was held in the Region IV office on October 6, 1989. This meeting related to activities authorized by NRC License Nos. DPR-51 and NPF-6 for ANO. The subject of this meeting was communication between ANO and NRC Region IV personnel.

It is our opinion that this meeting was beneficial and has provided for a better understanding of the methods in which NRC Region IV and ANO personnel communicate with one another about safety and regulatory issues. In accordance with Section 2.790 of NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the NRC Public Document Room.

Should you have any questions concerning this matter, we will be pleased to discuss them with you.

Sincerely,

Original Signed By:
Thomas P. Gwynn

James L. Milhoan, Director
Division of Reactor Projects
