Dear Mr. Zyduck:

On October 4, 1989, the NRC administered the Generic Fundamentals Examination Section (GFES) of the written operator licensing examination to an employee of your facility. Enclosed with this letter are copies of both forms of the examination including answer keys, the grading results for your facility and a copy of the individual answer sheet for the examinee from your facility. Please forward the results and answer sheet to the examinee. A "P" in the column labeled Final Grade indicates a passing grade for this examination; passing grade for the GFES is 80%.

In accordance with 10 CFR 2.790 of the Commissions' Regulations, a copy of this letter and enclosures (1) and (2) will be placed in the NRC's Public Document Room (PDR). The results for individual examinees are exempt from disclosure; therefore, enclosures (3) and (4) will not be placed in the PDR.

Should you have any questions concerning this examination, please contact Mr. Paul Doyle at (301) 492-1047.

Sincerely,
