Dear Ms. Connell:

REQUEST FOR ADDITIONAL INFORMATION CONCERNING A MATERIAL LICENSE APPLICATION  
(REFERENCE: 220839; 030-09944)

In response to your request of September 19, 1989, we have revised the proposed amendment for TVA's Power Service Shop Material License 41-08165-08, to incorporate the additional information requested by NRC. The portions changed in response to the three specific questions are identified by bars in the margin (item 10, page 6, 8 and 10).

Enclosed is the entire package, so that only the last submittal will have to be referenced on the license.

If you have any questions or if we can be of any assistance, please telephone P. J. Hammons at (615) 751-2736.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
