Attention: Congressional Liaison

Dear Sir or Madam:

I am sending you a copy of a recent inquiry I have received from Mr. H.L. Nickerson which I believe you will find self-explanatory. Mr. Nickerson is very concerned with what he feels is excessive overtime at nuclear power generating plants.

I would sincerely appreciate any assistance you may be able to provide that would enable me to respond to Mr. Nickerson.

Please reply to my Ottawa, Illinois District office. If you have any questions or need any further information, please contact my caseworker, Bonnie Walsh, at FTS 363-2131 or 815-434-5666.

Thank you for your continued assistance with this matter.

Sincerely,

J. Dennis Hastert
Member of Congress
