Dear Sir:

Pursuant to 10 C.F.R. § 9.23(b), I request that you send me a copy of the following described NRC record by your normal FOIA mailing procedures:

Investigation Report 4-85-021, dated on or about July 21, 1988. This Report concerns an investigation of Ogle Petroleum Inc. of California and affiliated corporations conducted by the NRC's Office of Investigations. I believe that the Docket Number is 40-8745 and that the investigation concerns License No. SUA-1396 issued to Ogle Petroleum, Inc. of Colorado for an in situ uranium mining project named Bison Basin in Wyoming.

This request is made pursuant to 5 U.S.C. § 552 and the NRC's implementing regulations in 10 C.F.R., Part 9, Subpart A. I believe that this request is properly categorized as "commercial-use" under those regulations. Accordingly, I will promptly forward payment for any search, review and duplication fees that may be incurred in providing the record requested above.

Please advise me if any additional clarification or information is needed to complete the NRC's response to this request.

Sincerely yours,
