FREEDOM OF INFORMATION
ACT REQUEST

FOIA-89-434
Rec'd 10-6-89

Donnie H. Grimsley, Director
Division of Rules and Records
Office of Administration
U.S. Nuclear Regulatory Commission
7735 Old Georgetown Road
Bethesda, Maryland

Dear Mr. Grimsley:

Pursuant to the Freedom of Information Act, 5 U.S.C. §552, and 10 C.F.R. §9.1 et seq., the Massachusetts Attorney General's Office ("MAG") requests that you produce to MAG the following documents, including, but not limited to, records as defined in 10 C.F.R. §9.13 ("Documents"), concerning the testing of Seabrook Station operators that is scheduled to take place on or about December 11, 1989 ("the Testing Program") at the Seabrook Nuclear Power Plant. All requested documents within the possession or control of NRC, or its agents or contractors, should be produced, whether generated by NRC, Applicants, their agents or contractors, or otherwise.

1. All communications or other documents concerning or reflecting the methodology or process by which the decision was made to implement the Testing Program.

2. All communications or other documents concerning or reflecting any NRC Staff memorandums, recommendations, guidelines or reports that were reviewed, consulted or referred to in implementing the Testing Program.

3. All correspondence or notes, memoranda, documents or recordings reflecting communications between the Applicants and the NRC concerning or relating to the implementation of the Testing Program.

4. All audio, video or other electronic recordings, or transcripts of recordings, of conversations involving NRC or Applicants' personnel concerning the Testing Program.

5. Any and all documents which describe the purpose of the Testing Program, or the NRC evaluation guidelines or process for the development of the Testing Program.

6. All summaries, notes, logs, or other documents which reflect the observations and other matters that took place at any meeting(s) with the NRC or Applicants concerning the Testing Program, regardless of meeting date.

7. All correspondence, memoranda, or other records of communications between NRC personnel or between NRC and Applicants about drafts of documents or records on the Testing Program.

8. For each document previously requested herein, produce all drafts of each document.

If, for any reason, you withhold any document or part thereof, please describe the material that is withheld, by title, date, author, and summary of content, and explain your reasons for believing it is exempt from disclosure under the Freedom of Information Act. In addition, please explain why the public interest does not require disclosure.

Please notify me of the copying and mailing costs for production.

I look forward to receiving your response within ten (10) working days, as provided in the Act.

Sincerely,

Leslie B. Greer
