NOTE TO: M. Fairtile, ORB-4, DOR
FROM: Ronnie Lo, Environmental Evaluation Branch, DOR
THRU: Lake Barrett, Section Leader, Environmental Evaluation Branch, DOR
SUBJECT: OCONEE WASTE WATER POND

Attached are the draft Technical Specifications to control Waste Water Pond radioactivity at Oconee for you to send to Duke Power Company. In addition to the draft Technical Specifications, a summary of the technical assumptions used to generate the Technical Specifications are also enclosed. We understand that you are setting up a meeting with Duke Power Company to discuss these Technical Specifications before their formal license proposal.
