R. C. DeYoung, Assistant Director, PWRs, DRL

DRAFT ACCIDENT SECTION FOR OCONEE ENVIRONMENTAL STATEMENT

We have evaluated the applicant's analysis^{1/} of postulated accidents and occurrences, using as a guide the information contained in the staff proposal^{2/} to the Commission. Our conclusions are contained in the enclosed draft for inclusion in the detailed environmental statement under preparation by DREP.

H. R. Denton, Assistant Director
Site and Radiological Safety
Division of Reactor Licensing
