Mr. Dick Foster, Associate Manager
Battelle Memorial Institute
P.O. Box 999
Richland, Washington 99352

Dear Dick:

I am hereby forwarding copies of agency comments on the Oconee and Midland statements. You already have received from me copies of the statements. You also have the agency comments on Calvert Cliffs since these were automatically forwarded by the REP project leader.

Please make a general review of these sets of data and give us the benefit of your reaction. We aren't asking that you spend a great amount of time in this regard but we must begin to feed back into our draft statement changes based upon reasonable comments by the agencies and public. In this regard, if you do have specific changes to recommend, please do so.

Since we have a great many statements in the mill, I would appreciate your response at your earliest convenience.

Sincerely,

Gene A. Blanc
