Note to Files

TELECON WITH KEN CANADY OF DUKE, R. STRAUB, AND R. STEINKE OF E&W,  
JULY 21, 1972, CONCERNING QUADRANT TILT QUESTION ON OCONEE

The concern expressed in the July 7, 1972 memo from Reactor Safety  
was discussed with Duke and E&W. They were advised that we would  
formally request their response to this concern.
