TELECON WITH KEN CANADY, DUKE POWER COMPANY - AUGUST 3, 1972  
OCONEE ENVIRONMENTAL TECHNICAL SPECIFICATION

Ken Canady called to inform me that Duke would mail its response to our July 10, 1972 letter on the subject technical specification on August 7, 1972.

By virtue of mailing time, the response may arrive a few days later than our requested August 7, 1972 deadline. This should not create any review problems schedule-wise.
