Mr. A. Giambusso,  
Deputy Director for Reactor Projects  
Directorate of Licensing  
U.S. Atomic Energy Commission  
Washington, D.C. 20545

Docket No. 50-346

Dear Mr. Giambusso:

Enclosed is Amendment No. 14 to the Application for Licenses for the Davis-Besse Nuclear Power Station. This amendment consists of a revised application of which three (3) originals and 25 copies are enclosed, as well as the Final Safety Analysis Report of which fifteen (15) copies are enclosed for your preliminary review.

We have kept your staff informed of the preparation schedule and filing date of this Final Safety Analysis Report so that you could establish a timely review schedule. We hope that your preliminary review will result in timely acceptance for detail review.

Yours very truly,
