Docket No. 50-346

Dear Mr. Williamson:

Thank you for your letter dated September 22, 1978, informing us of the steps you have taken to correct the ^{items of} noncompliance and concerns identified in our letter dated September 1, 1978. We understand based upon a telephone conversation between Mr. Roe of your staff and Mr. Tambling of our ^{Region} XIII staff that steps will also be taken to strengthen ^{by} management control of testing ^{activities} during the construction of Units 2 and 3.

Region III personnel will be examining ^{the effectiveness of} your corrective actions during future inspections.

Your cooperation with us is appreciated.

Sincerely,

Norman C. Moseley,
Director, Division of
Reactor Operations Inspection
