Docket No. 50-346

The Toledo Edison Company  
ATTN: Mr. G. J. Sampson  
Vice President, Power  
300 Edison Plaza  
Toledo, Ohio 43562

Gentlemen:

We have received your letter of February 20, 1973 regarding fuel densification and find it acceptable as a status report on your fuel densification analysis. In the near future we will discuss our scheduling of the Davis-Besse operating license review with you and the fuel densification review can be incorporated into that scheduling effort.

Sincerely,

Original Signed By  
A. Schwencer
