Docket No. 50-346

JUN 29 1972

A. Giambusso, Deputy Director for Reactor Projects, L

FLASH NOTE ON DAVIS BESSE HEARING REOPENING

A. Schwencer received information from B&W man that court has granted AEC's request for time extension to complete record of hearing on Davis Besse suspension. Understand hearing may be set to restart either July 6 or 7 or the following week. Have not confirmed dates with OGC. Purpose of this FLASH NOTE is to alert Environmental people under Dan Muller including Lab people may require fast preparation for reopening of hearing.
