

50-3-16

January 27, 1971

Handwritten signature and initials, possibly 'F. M.' or similar, written in dark ink.

Dr. Morris:

Bob Tedesco called from Port Clinton, Ohio - This morning the Board has sent and will issue an Order to the effect that the Director of Regulation not authorize any further exemption requests on the part of Toledo Edison for the Davis-Besse facility until the Board has issued its Initial Decision.
