OPERATING LICENSE FEE - DAVIS-BESSE, UNIT 1

The Division of Project Management plans to issue an operating license to the Toledo Edison Company and the Cleveland Electric Illuminating Company for the Davis-Besse Nuclear Power Station, Unit 1, around approximately April 15, 1977. The license will authorize fuel loading only. Please issue an invoice for the operating license fee as follows (making sure to cross out the words "Net 30 Days" which appear on the invoice form):

Toledo Edison Company	License:	NPF-3
ATTN: Mr. Lowell E. Roe		
Vice President	Power Level:	"0" MWT
Facilities Development		
Edison Plaza	Fee Due:	\$250,000
300 Madison Avenue		
Toledo, Ohio 43652		

Please notify this office as soon as the fee has been received.
