Docket No. 50-346

MEMORANDUM FOR: Paul F. Collins, Chief, Operator Licensing Branch, NRR

FROM: G. W. Reinmuth, Assistant Director, Division of Reactor Construction Inspection, IE

SUBJECT: INQUIRY FROM STATE OF OHIO DIVISION OF BOILER INSPECTION

As discussed between you and Jim Henderson on Wednesday, enclosed is an incoming letter from Mr. Jagger of Ohio Division of Boiler Inspection related to the NRC Operator Licensing Program, particularly as it applies to Davis Besse.

I understand that you will respond to Mr. Jagger's letter in an appropriate manner. IE is not aware of any potential operator licensing problem at Davis Besse.
